**REPORT OF THE AUDITORS TO THE MEMBERS OF THE INSOLVENCY
PRACTITIONERS ASSOCIATION OF MALAYSIA**

I have audited the financial statements set out on pages 4 to 11. The financial statements are the responsibility of the Council Members of the Insolvency Practitioners Association Of Malaysia. My responsibility is to express an opinion on the financial statements based on the audit, and to report my opinion to you, as a body and for no other purpose. I do not assume responsibility to any other person for the content of the report.

I conducted my audit in accordance with approved auditing standards in Malaysia. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Council Members of the Insolvency Practitioners Association Of Malaysia, as well as evaluating the overall presentation of the financial statements. I believe that the audit provides a reasonable basis for my opinion.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Insolvency Practitioners Association Of Malaysia as at 31 December 2019 and of its income and expenditure and cash flows for the year then ended, in accordance with the basis of accounting described in Notes 3 and 4 to the financial statements.
